What is the one trait that all successful leaders have?

“I wake up everyday thinking about this and how I can support my company.”

Overcoming Obstacles

Write down some obstacles that prevent more people from achieving personal success:
There are Heroes among us!

- Find stories of inspiration like Lin Hau from the 2008 Summer Olympics in Beijing China...
- Rabbit-Proof Fence with Molly, Daisy and Gracie
> Sherrie Gahn, Principal Whitney Elementary

Many of the students are “second- and third-generation poverty,” Gahn said. “They don’t know there’s anything different or better. We try to teach them that they are people of character and that this experience does not define them. They can grow up to be anything they want to be, and this is just one of the hurdles they have to face.”
